

SPONSORSHIP PROGRAM

The 2021 TIAC Tourism Congress is being planned as an in-person and on-screen event from November 30 to December 1st with a theme focused on forging a new future for the industry.

While the in-person event will provide a greater networking experience, a critical component to both styles is program content. TIAC's Tourism Congress is an innovative, "must-attend" conference for all tourism stakeholders (members and non-members) and political influencers.

Building on the success of the 2020 Virtual TIAC Tourism Congress, this year's 2-day event will provide quality, relevant and targeted content for operators (owners and management team), associations, educators, students, influencers, politicians and decision makers.

Customized Sponsorship Options

Sponsorships for the 2021 TIAC Tourism Congress are assigned on a first-come, first-serve basis and are **open to TIAC Members only**. If you have a unique sponsorship idea you would like to explore, give us a call, as we look forward to working with you in creating a new and successful branding opportunity.
